BODY WRAP				
Kimberley have a library of body wrap choices in high definition data file. If you choose the body wrap option, Kimberley make this data file plus the shape template available to the body wrap contractor chosen by you and/or your dealer. The price to print the body wrap and install it on the Cruiser is between you and the contractor. Kimberley recommends 3M material. The high definition file is licenced for the left and right hand sides to the contractor. Phone assistance is given by the factory to the contractor for the application. If you have your own high definition image for a personalized wrap, it needs to be 300DPI in an EPS, PSD or large scale JPEG file. KAG892	\$590	0	0
